About House of Miracles: HOUSE OF MIRACLES, INC. is the collaborative studio and creative practice of artists B. Thom Stevenson and Jason S. Wright, where water, earth's life force, is the keystone in a mission to shift perspectives toward the good in the world, the Miraculous. Working at the intersection of beverage and fashion, Miracle Seltzer and Miracle Water are the foundation for a lifestyle brand that provides a platform for artists and their communities through clothing, exhibitions, and activations while delighting in the Miracles that are happening around us every day.

About Head's Magazine: HEADS Magazine is a collaborative community project featuring an ever-expanding community of artists from all over the world that share a passion for making. It is our intention at the Heads-quarters to create a sense of camaraderie amongst a diverse global community while being an affordable exhibition platform existing in the physical realm. All are welcome to get involved.
